Yes to all. The Roster template is on the SharePoint page.

Emil,

Do you want me to fill out the considerations and resources worksheets? Or my version of a schedule?

Do you have a template for the advisory committee roster?

Cory-Ann Wind

A SharePoint site has been created for your rulemaking. I've placed the rulemaking templates there. The page currently says Clean Air Corrections 2016 but I'll have Michele change it to Clean Fuels Corrections 2016.
