I do have the cleanfuels2017 in Outlook.

Can the one named CFPerm2016 be removed?

I submitted the SharePoint request.

It looks like there is already an Outlook mailbox called CleanFuels2017.

Emil – can you please ask Michele to create a SharePoint page for the Clean Fuels 2017 rulemaking. I am asking here to delete the three pages listed below.

We also need a Clean Fuels 2017 Outlook mailbox; can you ask Helpdesk for that as well?

I didn't think there was one, but you two thought there was.

So, what I see is:

This page is for the temporary to permanent corrections:
http://deqsps/programs/rulemaking/aq/cfc2016/default.aspx
This page is for the temporary corrections:
http://deqsps/programs/rulemaking/aq/cleanfuels2016/default.aspx
This page is for the 2015 permanent rules:
http://deqsps/programs/rulemaking/aq/CFPUpdate/default.aspx

I don't see a page that you are using for the 2017 rulemaking. Did you think there already was one?

I've grabbed what I need from the first two links. Do you think everything is there?

I believe the last link is the temp corrections rulemaking, not the 2017 one.

Subject: clean fuels SharePoint pages

Cory,

I would like to save, and then delete, older clean fuels SharePoint pages:

- http://deqsps/programs/rulemaking/aq/cfc2016/default.aspx
- http://deqsps/programs/rulemaking/aq/CFPUpdate/default.aspx

If you want to keep any documents from the pages listed for deletion above, please save them, or ask me or Emil to move documents to your current SP page. I will then have these SP pages saved into archives, and then deleted.

I think this SharePoint page, named "Clean Fuels 2016" is really the Clean Fuels 2017 rulemaking: http://deqsps/programs/rulemaking/aq/cleanfuels2016/default.aspx. Is this correct? If so, I will have Michele rename it.

Thanks.
