Hi Steve,

It is unlikely DEQ will have comments back to you with enough time for the report to get completed today as scheduled. I've finished my review and Kara is working on hers. I'll want to see the figures again before finalizing. Given all that and the holiday we are going to proposed pushing the final report submittal due date to July 13. Let me know if you have any concerns with this action.
Thanks
Katie

Hi Katie and Kara,
Please see the attached draft IRAM report prepared for the Johnson Oil site. We are working through some final edits to the figures but I wanted to send you everything we have now so you can start your review. I'm out of the office most of tomorrow but can be available early next week if you want to discuss anything regarding finalization of the report.
Thanks
