The proposed rule changes would also correct spelling mistakes in the naming of some pathway identifiers located in the look-up tables. Per ORS 183.335(7)(c), an agency may amend a rule without prior notice or hearing if the amendment is solely for the purpose of correcting spelling. In Table 3 OAR 340-253-8030, the following pathway identifiers are proposed to be changed:

Current pathway identifier	Proposed pathway identifier
ORETHC001	ETHCOR001
ORETHC002	ETHCOR002
ORETHS001	ETHSOR001
ORETHG001	ETHGOR001
ORETHM001	ETHMOR001

In Table 4 OAR 340-253-8040, the following pathway identifiers are proposed to be changed:

Current pathway identifier	Proposed pathway identifier
ORBIOD001	BIODOR001
ORBIOD002	BIODOR002
ORBIOD003	BIODOR003
ORBIOD004	BIODOR004
ORBIOD005	BIODOR005
ORRNWD001	RNWDOR001
ORRNWD002	RNWDOR002
ORRNWD003	RNWDOR003
ORRNWD004	RNWDOR004
ORRNWD005	RNWDOR005

Yes. This is the sentence I included in the summary: The proposed rule changes would also correct spelling mistakes in the names of some pathway identifiers located in the look-up tables, per ORS 183.335(7)(c).

i t hink you are asking about the statement of need as it concerns your corrections. you need to explain why you are making the change.

did we ask doj if we could do this without the corrections being included in the public notice?

Two places. You need to put something at the beginning in the introductory summary explaining it, then also add to the section that lists the rules being amended.

I'm drafting the staff report for the rulemaking in August to make the temporary corrections rules permanent. I also need to add in the spelling/grammatical changes to the fuel pathway codes. Do you have any guidance on where I need to insert that?
