Hi Steve,
I've spoken with Kelly Miller at Turning Point and she confirmed they are receiving deliveries today and 6/22 works for them for paving. She is available to meet you next Wednesday morning and requested a courtesy call when you're about 15 mins from Clatskanie so she knows when to head to Turning Point. In case you don't already have it, her number is (360) 593-8294.
Let me know if I can be of further assistance in coordinating schedules.
Sincerely,
Kara Master

Subject: RE: Johnson Oil draft IRAM report
Hi Kara,
I plan to have the draft report through internal review and to DEQ by early next week. We have confirmed the schedule for paving for June 22nd, so we'll have to update the report with the paving details for the final version to be submitted by June 30th.
Can you please notify Kelly at Turning Point that H&A and Heffner Paving will be at the site on 6/22? I don't think they are receiving food deliveries on 6/22 but please confirm that this date works for them. If possible, it would be very helpful to have Kelly come by the site at the start of the work to discuss some of the details for the paving. We plan to start at 8am but we can adjust the timing as needed.
Thanks

Steve Ahlquist, RG

CAUTION: External Email

Hi Steve,
I believe we're still waiting for the asphalt pavement to be placed at Turning Point, but would you please provide a quick status update regarding the draft IRAM report and when DEQ may anticipate it for review?
Thanks,
Kara Master
