**Subject:** Report on 2023 Semiannual Groundwater Monitoring at PMW-1 (ECSI No. 1171)

Hi Rob,
Attached, please find the report documenting the results of the 2023 semiannual groundwater monitoring of City of Milwaukie monitoring well PMW-1.

The start of monitoring in Year 4 of the five-year plan will be in March 2024. We will inform you of the actual date when the specific schedule is established.

Let us know if you have any questions regarding the report.

Best regards,
Roger Brown
HAI
