Hi Emil,

I notice that the Attachment A tables still say 'DEQ Draft' in the footer and didn't have a cover page to label them.

I've made those changes to the Sharepoint Word doc:

http://deqsps/programs/rulemaking/lq/airtoxics2016/docs/artglass2016.tables.docx

Is it too late to incorporate those changes?

Hello,

I've attached the notice document for the Art Glass Permanent rulemaking. Please post this document and make the comment page live.

Thank you.

Emil
