Hello Joe,

Are we using the same three tabs as last time? Bullseye cost, Uroboros cost, and Tier1 cost?

Thanks.

Emil

Subject: updated art glass fiscal analysis tables, requesting your help to reformat

Hi Emil,

I mentioned yesterday that I have updated the fiscal calc tables for the art glass rule, and would love to have your help to get them formatted.

Here are the updated tables (in Excel):
http://deqsps/programs/rulemaking/lq/airtoxics2016/docs/artglass2016.fiscal.tables.xlsx

Here are the old tables we used for the public notice:
http://deqsps/programs/rulemaking/lq/airtoxics2016/docs/artglass2016.tables.docx
