Subject:	Helpdesk Service Request #19212 RE: need write access to art glass rulemaking folder
Date:	Thursday, August 18, 2016 12:09:24 PM

Hi Emil,

I am going to assume that you asking to give permissions to the Rule shares is the same as Meyer asking. Also, is it ok for those listed to have edit permission to the entire rule_developement share? Because we don't normally set the permissions on individual folders, just the main folder or share.

Your request to the Helpdesk has been logged and assigned to Wendy Morency. Please keep the Service Request number in the Subject line.

Subject: need write access to art glass rulemaking folder

Hi Emil,

I'm using the handy folder you set up for the art glass rulemaking:

\\deqhq1\rule_development\Currrent Plan\AQ-Art Glass 2016 - Westersund

It looks like George Davis has read access but does not have write access to this folder and subfolders. Can you give him and other members of the team write access?

Here are the members that I want to have write access:
Leah Feldon
Jaclyn Palermo
George Davis
Keith Johnson
Dave Kauth
Greg Grunow

Thank you for your help,

-Joe
