Hi Joe,

I'll submit a web request to get the new meeting time posted. I've put the draft GovDelivery Notice on SharePoint. For most rulemakings, the first GovDelivery notice is sent to a broad group of people and all subsequent notices are sent to those who have signed up for that specific GovDelivery topic. Do you think I should send this notice to the larger group again?

Let me know your thoughts and when you think that the notice is good to go.

Thanks.

Emil

Hi Emil,

We've got a date and time for a 2nd meeting of the art glass fiscal advisory committee (see below). Could you post it to the website and send out a GovDelivery notice?

If possible, could you give me a chance to add my two cents to the GovDelivery email before it goes out?

A few sentences talking about the public comment period might be good. It'd also be good to say something like, "An updated draft of the DEQ fiscal impact statement will be available for download from the website next week" since I haven't got an updated one to upload yet.

Subject: 2nd DEQ fiscal adv comm meeting: Friday June 10th, 2-4pm

Hi Committee Members,

Thank you for your quick responses to my scheduling email. It looks like the date that works for the most people is:

Friday, June 10th
2pm to 4pm
Same location as before
(DEQ HQ, 811 SW 6th Ave, 10th floor conference room EQC-A)

Please mark your calendars.

It looks like a representative from Bullseye will be able to attend, which is great. Eric, if it won't be you, please let me know that person's name & title at least a few days ahead so I can process that on the DEQ side. Uroboros has also supplied some info by phone & email.

I hope to email you all a revised draft fiscal at the end of the day this Friday 6/3. For those who can't make it to the meeting (Abe, Paul and possibly Mark) you're still welcome to send me individual comments or questions.

Thank you for your patience and continued involvement,

-Joe

Subject: scheduling 2nd DEQ fiscal adv comm meeting: another try

Hi Committee Members,

Thank you for your patience with emails from me.

I'm trying to set up the 2nd fiscal advisory committee meeting you requested, while also keeping the rulemaking on schedule. My first try was this Friday or coming Monday, but many people couldn't make it, and I'd like to give the public more notice that the meeting is happening.

I found some times next Wednesday, Thursday and Friday (6/8 to 6/10), and hope that one of these could work for the group. Please respond to this (hopefully last) poll, to let me know which days could work for you:

Please respond today if you're able. Thank you!
