Hi, Committee Members,

As you know, our 2nd and final fiscal advisory committee meeting is tomorrow:

Friday, June 10th
2pm to 4pm
DEQ Headquarters building,
811 SW 6th Ave, 10th floor conference room EQC-A
Portland, OR 97204

The agenda (posted here) will be similar to last time, except that we can focus on what's changed since last time. Eric Durrin from Bullseye will be there, so there will be opportunity for him to weigh in on the 4 questions, and for other committee members to amend their previous answers if they wish. (You can see my attempt to summarize your previous comments in the meeting minutes, available as a handout tomorrow or online here, and let me know if you have input on those questions that I didn't capture.)

For those who can't make it tomorrow (Abe, Mark and Paul), feel free to email me individually if you have comments.

Thank you for your participation. I look forward to working with you again tomorrow.

-Joe
