Hi, Committee Members,

I'm working to schedule the followup fiscal advisory committee meeting that the group requested. So far I have 3 responses, which isn't enough to schedule a 2nd meeting.

If you are interested in a 2nd meeting of this committee, please respond ASAP by going to this scheduling link: http://doodle.com/poll/n5yw3vcmznspqfhi

Thank you!

Subject: scheduling 2nd art glass fiscal advisory committee meeting

Greetings, Committee Members,

Thank you for your time and participation during today's art glass fiscal advisory committee meeting. I'm heartened by this group's ability to work together.

You requested a 2nd meeting to review additional data DEQ may be able to collect and in hopes that Bullseye would be able to participate. I'm happy to have that second meeting, if we're able to schedule it on relatively short notice.

Please respond to this poll to let me know when you could make it:

If possible, **please respond by 9am on Tuesday, May 31** . Once it's scheduled, we need time to notify the public too.

Thank you!

-Joe
