Hello Julie,

340-244-9015 should have been included in the Administrative Rules filed last week for the Division 244 Art Glass rules. I apologize for this omission.

I've attached the Receipt Copy of the Certificate with 340-244-9015 added to the adopt line.

Let me know if you need anything else to correct this error.

Thank you.

Hi Meyer,

I'm working on Administrative Rules filed last week and see your Permanent rule filing of 10-3 amending/adopting rules in Division 244 about Art Glass. You have one extra rule in the Word text document which is not listed on the Certificate Adopt line - 3440-244-9015. Please take a look at your Certificate and text document, and if it is on the Word text document in error, or if it needs to be written in on the Certificate Adopt line. Please make the correction on the Receipt Copy of the Certificate, initial and date the correction and email it to me, or if it's the Text document that's wrong, please email me a corrected Word Text document without the extra rule.

We need your corrections as soon as possible, or at the latest by noon tomorrow.

Thank you for your help,
- Julie
