Hello Jerry,

I'm unsure of what you're looking for. Do you want to know what parties are interested in receiving updates about this rulemaking? We have a GovDelivery topic to send out updates about this rulemaking. Depending what you're looking for, or to do, I would ask Leah since she lead the temporary rulemaking.

Hi Emil, do you have a list of elected politicians, community groups, etc. for the glass temporary rulemaking? Jerry

Jerry,
There is a spreadsheet here called Comments Final Combined Clean that has a column of the email addressed of everyone that commented on the temporary glass rulemaking. Is that what you need?

Jill
