Looks great Michele. You used the latest version I sent. I hate to do this but the comment page links in the notice document aren't correct so I've fixed them and attached an updated version. This was my mistake, everything you've done has been great.

Thanks again!

Emil

Hi Emil,

I just published this and it's live. However, I'm so tired and I have been dealing with so many emails that you should check to make sure I used the correct version. I'm just not entirely sure.

Thanks,

Michele Thompson

I apologize for this, if it's not too late, can we use this version instead? It incorporates a cover page for the last document in the package.

Emil
