Subject:	scheduling 2nd DEQ fiscal adv comm meeting: another try
Date:	Wednesday, June 01, 2016 12:12:03 PM

Hi Committee Members,

Thank you for your patience with emails from me.

I'm trying to set up the 2nd fiscal advisory committee meeting you requested, while also keeping the rulemaking on schedule. My first try was this Friday or coming Monday, but many people couldn't make it, and I'd like to give the public more notice that the meeting is happening.

I found some times next Wednesday, Thursday and Friday (6/8 to 6/10), and hope that one of these could work for the group. Please respond to this (hopefully last) poll, to let me know which days could work for you:

Please respond today if you're able. Thank you!
