Hi All,

In case you'd like to flip through them, here is a subset of some of the longer / more substantial comments we received on the art glass rule: \\deqhq1\rule_development\Currrent Plan\AQ-Art Glass 2016 - Westersund\5-Public comment and testimony\comment attachments

(Paul, you probably can't access the link above. If you'd like to see these, let me know and I'll send as an attachment.)

I'll classify all comments and tomorrow I'll send out a list of the issues for our big decision meeting on Thursday.
