Hello Joe,

I talked with Michele this morning and she said that it would get done at 5. They do this all the time so there shouldn't be any issues.

Hi Emil,

Are we all set to have the art glass rulemaking comments turned off at 5?

Jaclyn mentioned something about a previous situation where there were multiple routes to submit, and one route didn't get turned off. I didn't catch all of it, anyway just wanted to check in.
