You're correct and my apologies. I've sent the request to have the access code changed on the advisory committee page. 1910322 is the correct number.

Subject: participant code for adv comm meeting phone line

Hi Emil,

Can you confirm the access code I (and participants) should use if they want to dial into next Friday's meeting?

The access code listed on the website you sent is (http://deqsps/programs/rulemaking/SitePages/Rulemaking%20teleconferencing%20information.aspx)?

Meyer's Numbers	
Call in number	888-363-4734
USA Caller/International	215-446-3656
Access Code	1910322
Host Password	6352

But the access code listed on the adv comm meeting announcement is:

Upcoming Meetings
Friday, May 27, 2016 - 9 a.m.
DEQ Headquarters
811 SW 6th Avenue
Portland, OR 9720
Meeting Call-In Number: 888-363-4734 | **Participant Code:** 257801

Is one correct and the other not?

-Joe

Hello Joe,

Here are some links that might be helpful:

Advisory committees – includes sections that talk about fiscal impact recommendations and small business considerations
How to record meetings – How to use the teleconference service to record meetings
Rulemaking Teleconferencing Information – Has the call-in numbers and host codes, **6352** for this meeting
