Subject:	updates to art glass rulemaking docs
Date:	Tuesday, June 14, 2016 12:17:56 PM

Hi Emil,

FYI- I made some edits to these docs in the art glass rulemaking Sharepoint:

- GovDelivery notice
- Invitation to comment
- Legislator email

The original NoR was "we're making the temporary rule permanent" but now we're adding a request for comment on some potential changes to the rule. The major change to the above was to mention that.

-Joe
