Subject: FYI: going on site visit to Tier 1 CAGMs tomorrow

Hi Leah and Jaclyn,

FYI- I was in a conversation with Keith Johnson today and he mentioned he's going on a site visit at two of the Tier 1 (small) CAGMs tomorrow- Northstar and Trautman Art Glass. That's something I've been meaning to do and he was able to get permission for me to tag along.

I think this will be valuable to get a better understanding of their operations and source test issues, and to make sure they're aware of the opportunity to comment on the rule.

Let me know if you have concerns. If you want to join in, please contact Keith.
