Subject:	scheduling EQC meeting to consider permanent art glass rule

Hi Stephanie,

I'm working on the permanent art glass rulemaking, and our goal is to take that to the EQC before the temporary rule expires on 10/18/2016 (180 days after adopted on 4/21).

Is the EQC interested in scheduling a special meeting to consider the art glass rules? If so, has a date been chosen?
