Subject:	artglass2016 - rename SharePoint page?

Hello Michele,

I would like to rename one of our rulemaking SharePoint sites if possible because it's confusing to people. Do I need to submit a SharePoint request form to do this? It's for the rulemaking currently labeled Air Toxics 2016. I would like to rename it **Art Glass Permanent Rules 2016**. I want to rename the link (the wording, the actual link can stay the same) on the Air Quality Rulemaking page and the title at the top of the page. Please let me know what I need to do to make this happen.

Thank you.

Emil
