Hi Emil,

Looks like the GovDelivery email went out, which is great. Can you also have a link to the staff report & attachments added to the rulemaking page http://www.oregon.gov/deq/RulesandRegulations/Pages/2016/Rartglass2016.aspx ?

I suggest we update this part

> **Environmental Quality Commission Action**
> Meeting scheduled for September or October 2016

to say something like this

> DEQ has posted its proposal for the art glass permanent rule. The staff report includes the proposed rule language in the attachments. The EQC will meet on September 29th, 2016 to consider the proposal. More information about the meeting can be found on the EQC meetings page.
