Meyer,
I just remembered that we need to update the Advisory Committee webpage (http://www.oregon.gov/deq/RulesandRegulations/Pages/Advisory/ballast2016.aspx) with a few items.
Specifically, please reformat the Meeting #3 as a 'past meeting' and add the attached minutes and ppt documents.

I would also suggest/recommend moving the 'background materials' section below the 'schedule/meetings' section.

Thanks,
Rian
