I can submit a web request, but it probably won't get posted this morning. These requests go through the web team and they have a queue of work. We can only get web work done immediately if there is some sort of emergency. Very likely they can do it before the end of the day.

Hi Meyer,
Could you put the fiscal impact statement document (http://deqsps/programs/rulemaking/lq/ballast2016/docs/fiscal%20impact%20statement.docx) up on the ballast water AC external webpage (http://www.oregon.gov/deq/RulesandRegulations/Pages/Advisory/ballast2016.aspx).
If you could do this ASAP this morning it would be greatly appreciated.

Thanks,
Rian
