Thanks Bruce,
I will proceed with addressing comments and accepting/rejecting edits to produce a clean copy to send to Lydia for DA review.
I intend to provide her with the documents to review by late next week so that she can complete her review by 3/25.

Rian,
I have reviewed the draft rule and rulemaking notice. Excellent work with the rule language and supporting documentation. I approve the documents and your proceeding with briefing the Division Administrator and subsequent approval to proceed with public notice.
