Thanks, Robert. We do want it effective September 1st . I believe Jerry Ebersole did some work in September on the rule.

Thanks,
Margaret

The following timecenter has been created per request. I made it effective 10/1, but let me know if there is September activity that should be posted to it and I can change it.

Robert,

It's been a busy week. Last 4 approved checklists. When these are done, return to Susan.
