The planning documents for this rulemaking are in the folder linked below. To obtain Dick's approval and have the rulemaking placed on DEQ's rulemaking plan, you need to:

- Complete the resources and considerations worksheets based on current information
- Look at the driver/risk tables in the linked folder and provide me the two numbers you obtain from those tables
- Have David C. review and approve the worksheets
- Have Wendy W. review and approve the worksheets.
- Forward those two approval emails to me

I will take the information to meet with Dick on September 14. I need the information from you no later than September 9.
