CITY OF BROOKINGS

COUNCIL AGENDA REPORT

Meeting Date: December 8, 2014

Originating Dept: City Manager

City Manager Approval

<u>Subject</u>: Application for Funding from the Oregon Transportation Infrastructure Bank for Railroad Street Project

Recommended Motion:

A public hearing is required.

Motion to authorize City Manager to submit an application for loan funding in the amount of \$650,000 under the Oregon Transportation Infrastructure Bank (OTIB) program to finance a portion of the local match for the Railroad Street Reconstruction Project.

Financial Impact:

Assuming the loan is approved at 2.0 per cent interest for a 20 year term, the annual debt service would be approximately \$40,000, which is the current level of uncommitted revenue received annually by the Urban Renewal Agency (URA). The City would pledge URA funding for the debt service, but would also be able to make payments using Street System Development Charges (SDC) or annual allocation of Highway Users Funds received by the City at the City Council's discretion.

Background/Discussion:

The estimated cost of the Railroad Street reconstruction project is \$3,010,000. The City has received approval of a \$2,010,000 federal grant administered by the Oregon Department of Transportation (ODOT) to fund 66.7 per cent of this project. The local share of the cost of the project is estimated at \$1.0 million, or 33.3 per cent. The project is scheduled for construction in 2016.

The City has \$300,000 in SDC funds and \$300,000 in URA funds available for this project. Additional SDC and URA funds are expected to be received prior to construction; however, a large portion of the remaining \$400,000 match would need to be financed.

The City has been invited to apply for a loan through the OTIB of up to \$1.0 million for use in financing the local match for this project. The City of Medford recently received a loan for a similar project through this program at an interest rate of 1.61 per cent. The actual interest rate is determined at time of loan approval; staff is estimating that the interest rate would be 2.0 per cent or less. Current "market rates" for financing are 2.5-3.0 per cent.

Staff is recommending that the City apply for a loan of \$650,000 through the OTIB program. Assuming a 2.0 per cent rate of interest over a 20 year term, the annual debt service would be just under \$40,000. The amount of URA annual revenue not already committed to debt service

or used for administration is approximately \$40,000. Thus, the URA could support a \$650,000 loan for this project. By financing \$650,000 of the \$1.0 million local share, the impact on SDC and URA fund balances would be reduced from \$600,000 to \$350,000, thus making some \$250,000 in cash available for any Railroad Street construction cost over-runs and/or other URA and SDC-funded projects.

PROJECT TITLE: Railroad Street Reconstruction

SECTION 2: PROJECT JUSTIFICATION

Explain in detail the need for the project and summarize the scope of work to be completed.

Railroad Street traverses the central part of Brookings running parallel to U.S. Highway 101 through downtown Brookings. Railroad Street is often used as a local traffic alternative to Highway 101 and also serves the City's industrial area and a growing commercial district.

Railroad Street operates with one lane in each direction with no turn lanes, bicycle lanes and no pedestrian facilities for most of its length. The drainage system includes open roadside ditches and older drop inlets; local street flooding is a common occurrence. The surface condition of the roadway itself is deteriorated. A bus transit station is located on this street.

This project involves the complete reconstruction and widening of Railroad Street, to include one travel lane in each direction; a center turn lane and median; curb, gutter and sidewalk on both sides of the street; storm drains; bicycle lanes on both sides of the street and improvements to street lighting.

The improvements will occur along a 1700 lineal foot section of Railroad Street. The goal of the project is to correct street, ADA, pedestrian safety, drainage and bicycle safety deficiencies along the street to make the street more functional as a secondary commercial street carrying local traffic and reducing congestion on Highway 101 through downtown Brookings; as well as providing a safe alternative for bicyclists traveling through Brookings.

The Oregon Transportation Commission approved \$2,010,000 in Enhancement Program grant funding for the project which is scheduled for construction in 2016. The City and ODOT have executed a\$ 3,010,000 for the project.

SECTION 4: SUMMARY OF PLEDGED AND OTHER REVENUE

All OTIB loans require a pledge of any Highway User Tax Apportionment due to the Applicant to provide security for the loan. If the Apportionment received by the Applicant has not historically been sufficient to cover projected loan repayments, additional collateral will be required. The loan may be repaid out of other sources available to the Applicant. Please answer the following:

1. What funds have already been identified to repay the loan?

Brookings Urban Renewal Agency tax increment revenue City System Development Charges City System Replacement fees collected as surcharge on water/sewer accounts

2. What other funds are potentially available to secure the loan, if necessary?

City General Fund

3. Does the applicant have a credit rating published by any of the three credit rating agencies: Fitch, Moody's, or Standard and Poor's? If so, please indicate the ratings and when established and last reviewed. If available, please attach the most recent credit rating report as an appendix to this application.

No

SECTION 5: OTHER FINANCIAL INFORMATION

1. Has the Applicant suffered an operating deficit in either its General Fund or Road Fund, or other similar enterprise fund in the last 5 years? If so, what actions were taken?

No

2. Does the project involve the formation of a local improvement district (LID) or an urban renewal district (URD) or similar entity? If so, provide the status of negotiations with benefited property owners, an engineer's report on the district formation and assessments (if available), and any resolutions creating the district.

No, Urban Renewal District formed in 2002

3. Are the benefited property owners participating in the cost of construction? If yes, list the benefiting property owners and corresponding participation. If no, explain why.

No

4. Does this project use any "innovative" sources of financing, such as revenue from traffic impact fees, transportation improvement district fees, system development charges, urban renewal assessments, private funds, or tolls. What percentages of project funds are "innovative" versus "traditional?" Be specific.

100% "innovative"

System Development Charges: 28%

System Replacement Fees: 2%

Urban Renewal: 70%

5. Summarize any pending litigation that may affect the ability of the Applicant to repay a loan.

N/A

6. Has the Applicant ever defaulted on a debt? If so, provide a complete summary of all circumstances relative to the default.

No

7. How will the ongoing maintenance, operation and replacement of the project be financed?

Highway User Tax Apportionment and City General Fund

SECTION 7: OTHER PROJECT INFORMATION

1. Does this project have any safety impacts? If project is related to road construction, what are the current accident rates of the affected project area, if any? What are projected accident rates if improvements are made? Please supply any data that supports safety improvements.

Yes, there are definitely safety impacts by installing sidewalks, crosswalks and designated bike lanes where there are none now.

2. Does this project contribute to traffic growth management? If so, how?

Yes, this project promotes multimodal transportation and is located in the City's downtown corridor and Urban Renewal Area.

3. Does this project improve livability?

Examples include: encouraging development designed to allow people to live, work and shop in the same area; making walking, biking and transit convenient and accessible; or assuring accessibility of service to rural communities.

This project will provide pedestrian and bicycle facilities where there are none. The project will also enhance access to a transit station and correct ADA deficiencies.

4. Does this project strengthen Oregon's economic development? *Examples include: improving infrastructure, investing in rural or distressed communities, improve the business climate, enhance the community's image, or job creation,*

This project will improve the City's infrastructure and enhance new private investment along the Railroad Street commercial corridor. It will enhance the communities' image by reconstructing a dilapidated street and enhancing its function.

5. Does this project impact Oregon's quality of life? Examples include: improvements in air or water quality, lower commute times, reducing vehicle miles traveled, promoting inter-modal connections, or maintaining or improving access for emergency services.

The project will reduce congestion on Highway 101 through downtown Brookings by providing a local traffic and bicycle route alternative. The project will include installation of bioswale.

City Manager Approval

Subject: Funding for Community Coastal Christmas

Recommended Motion:

Motion to allocate \$1,500 in Transient Occupancy Tax revenues for the Community Coastal Christmas in Brookings Harbor program as recommended by the Tourism Promotion Advisory Committee.

Financial Impact:

Use of \$1,500 in TOT funding allocated for tourism promotion.

Background/Discussion:

At its meeting of November 20, the Tourism Promotion Advisory Committee considered a proposal received on November 14 for \$1,500 in funding from the Community Coastal Christmas in Brookings Harbor program scheduled to begin November 29. A description of the proposed event is attached.

The project budget shows revenue of \$7,000, including the \$1,500 City contribution, and expenses of \$6,820.

Note that this project involves the installation of decorations on City-owned facilities along Chetco Avenue and at the pocket park. As of this writing it is unknown as to the level of City resources that will be needed, if any, to support the project as the applicant has not been in contact with City staff.

TPAC voted 3-0-3 to recommend the event for funding; three of the TPAC members abstained as they are members of the group organizing the event.

\$4,000 allocation from remaining \$7,000 available for event funding in the TPAC budget.

Background/Discussion:

The Tourism Promotion Advisory Committee considered a request from Stagelights Musical Arts Community to fund a new event, the Wild Rivers Music Festival, to be held August 15-16, 2015 at Azalea Park. The project is described in the attachments. This would be an initial event with a goal of making this an annual event.

Note that the budget submitted by the applicant provides for estimated income of \$47,500 without the City grant funding and \$28,248 in expenses.

The original request was for \$5,000. The TPAC vote on this recommendation was 4-2. Sponsorship benefits include 15 two-day passes and five backstage passes. Staff will make a future recommendation on the use of these passes.

Wild Rivers Music Festival proposal

Wild Rivers Music

The Wild Rivers Music Festival will: Create an annual destination festival that increases Brookings cultural appeal and visibility as a tourist destination;

• Foster and promote local businesses, the art and music community, and non-profit

organizations;

• Provide the community the opportunity to hear quality, professional musical acts.

The event:

The festival is a family-friendly weekend event scheduled for Aug. 15-16, 2015, at the upper ball field and surrounding area at

Azalea Park.

This ticketed event will feature a main stage with five professional-quality artists on Saturday and four artists on Sunday. The focus of the music is on upbeat, stringbased music that includes bluegrass, folk,

local community and surrounding region offering a variety of products, food and drink.

will be invited to participate and receive compensation for their efforts.

Americana, country and acoustic rock.
There will be 50-plus vendors from the Azalea Park • Brookings, Oregon Community organizations and non-profits

Expected attendance

We anticipate about 2,000 people, ranging from families with young children to senior citizens. We expect about 40 percent of the attendees to come from Curry County, and the balance coming from a region that includes Southern Oregon (Coos Bay, Medford, Grants Pass, Ashland, Eugene) and Northern California (Crescent City, Eureka/Arcata, Redding).

(Note: Our business/budget plan is based on a conservative estimate of 1,500 attendees.) A majority of revenue (80 percent) will come from vendor fees (\$100 each) and ticket sales. Advance tickets will be \$25 for one-day pass, \$45 for two-day pass. Gate prices are \$30/\$50. Other revenue will come from local sponsors, grants and fundraisers.

Initial start-up costs:

We have a starting fund of \$1,200. Additional funds via grants, sponsorships and donations will allow us to implement our plans quickly and ensure the success of the festival.

Grant and sponsorship funds will be used for site improvements (stage/electric-

ity), advertising/marketing, permits, and secure commitments from music artists. Our advertising/marketing plans include a web site, social media (Facebook, i.e.), and traditional forms of media such as newspaper/radio.

The Presenter:

The music festival is presented by Stagelights Musical Arts Community, a Brookingsbased non-profit organization with years of experience presenting and promoting local music experiences.

Partnerships 4 1

We have consulted with the City of Brookings via Parks Director Tony Baron and City Manager Gary Milliman, both of whom offered enthusiastic support of our festival. Mr. Baron has attended one of our planning meetings, providing information that will help with our efforts. We look forward to working with Mr. Baron and Milliman throughout this process.

A number of individuals have volunteered to handle festival aspects such as web design,

advertising/marketing, vendor services, artist booking, sound system and security. We anticipate more will join us as word spreads throughout the community.

Sponsorship proposal

Be a part of the excitement surrounding the new Wild Rivers Music Festival, an event dedicated to uniting the community in an effort to bring much-needed tourism dollars to the area, help local nonprofits and celebrate quality live music. Our festival is managed and staffed entirely by volunteers, including business and professional people, retired citizens, local youth and city officials — all lending their expertise in various areas.

With the community's help — and your financial support — the Wild Rivers Music Festival will become the premiere music event on the Southern Oregon Coast, drawing thousands from throughout Oregon, Washington and California.

Bringing thousands to our community

Stagelights is proud to offer a new, family-friendly music festival scheduled for Aug. 15-16, 2015, at the up-

per ball field and surrounding area at Azalea Park.

This ticketed event will feature a main stage with four national and regional acts on Saturday and four acts on Sunday. The festival will feature upbeat, string-based music that includes bluegrass, folk, Americana, country and acoustic rock. We have confirmed bookings with reknowned artists such as Blame Sally, Moon Mountain Ramblers and Caravan of Thieves. We are currently in negotiations several more big-name acts.

There will be 75-plus vendors from the local community and surrounding region offering a variety of locally-made products, food and drink. Community organizations and non-profits will be invited to participate and will receive compensation for their efforts.

Attendance

We anticipate about 2,000-3,000 people, ranging from families with children to senior citizens. We expect about 40 percent of the attendees to come from Curry County, and the balance coming from Southern Oregon (Coos Bay, Medford, Grants Pass, Ashland) and Northern California (Crescent City, Eureka/ Arcata, Redding).

Benefits of sponsorship

Your financial support guarantees brand recognition associated with a huge community event. Your contribution, depending on which level, will provide your and your business cost-effective, promotional opportunities that will reach thousands of people locally and throughout the region.

Stagelights is working closely with Brookings city officials to install the necessary infrastructure and electricity to the upper ball field at Azalea Park, the location of the Wild Rivers Music Festival.

Visibility

Options include your logo displayed in local and regional media advertising, stage banners, the festival program and promotional material including posters, flyers, social media sites and our web page. Your logo will remain on our website for at least six months after the festival is over. Your logo will feature hyper-links to your company website or social media page.

Festival recognition

Your sponsorship will be announced to concertgoers multiple times throughout both days of the festival.

Free festival passes

Your company will receive multiple 2-day passes, the number dependent on level of contribution (see chart on next page). These passes can be given as gifts to your employees, clients or customers as you see fit.

Space at the event

Our top sponsors (see chart on next page) will be given free space for a display or information booth.

Backstage access

Our top sponsors will receive several backstage passes, granting special access to meet artists and get personal autographs and photographs. These passes can be given as gifts to your employees, clients or customers.

COUNCIL AGENDA REPORT

Meeting Date: December 8, 2014

Originating Dept: Parks

City Manager Approval

ure (submitted by)

Subject: Stout Park Unleashed Area

Motion: To approve the development of a fenced unleashed area at Stout Park

<u>Background/Discussion</u>: In March of 2013 the City Council approved a revision to the Brookings Municipal Code to allow for unleashed pets in designated areas. Stout Park is the only location suitable for the development of an unleashed area. The Parks and Recreation Commission approved a recommendation to City Council at their July 25th 2013 meeting for the development of the unleashed area at Stout Park. City Council considered the recommendation at the August 12th 2013 meeting when Tony Parrish expressed his concern about designated an unleashed area in lieu of fencing in a designated area in Stout Park. The concern brought forth was control of pets escaping owners and approaching park visitors as well as running off into traffic on Pine and Oak streets. As a result of this concern, Council directed staff to consider a fence to enclose the area.

Unleashed area(s) in parks offer a friendly environment for exercise and where dog owners can network with others who want their dogs to socialize. It also offers a great opportunity to educate and promote responsible pet ownership within the community.

The Unleashed Area will include:

- Bench
- Watering station
- Trash receptacle
- Doggie Pot bag dispenser
- Unleashed Area information sign board including rules and announcements.
- Boundary signage identifying boundary of Unleashed Area
- Decorative fire hydrant supplied by Public Art Committee

<u>Financial Impact:</u> The original budget for an area designated without fencing was between \$1,500 and \$2,500. A fence was not originally budgeted for the project therefore additional funds would be needed. To accomplish this shortfall a combination of new, donated and salvaged fencing materials are being collected and Staff is currently coordinating the installation of this project to coincide with an upcoming Eagle Scout project. Staff anticipates the project not exceeding the original budget.

Subject: Letter Regarding Welcome Center at Crissey Field

Recommended Motion:

Motion to authorize the Mayor to execute a letter to the Oregon Tourism Commission requesting that the Welcome Center at Crissey Field remain in operation year-round.

Financial Impact:

No direct impact.

Background/Discussion:

Travel Oregon, which funds the operation of the Welcome Center at Crissey Field, has announced plans to close the facility during the "winter season" January-March, 2015.

The tourism community has expressed concern with the closure. Curry County Director of Administration and Economic Development is requesting interested parties to write a letter to travel Oregon requesting that they keep the Welcome Center open during this period. See attached letter.

November 26, 2014

Todd Davidson, CEO Oregon Tourism Commission 250 Church Street SE, Ste. 100 Salem, OR 97301

Dear Mr. Davidson,

Late this month I was notified the Oregon Tourism Commission (aka, Travel Oregon) will be closing Oregon's southernmost welcome center for the winter months. I am writing to encourage you to keep the center open 363 days a year, as currently operating.

According to Travel Oregon's own data, 34% of all overnight trips to Oregon occur along the coast. Additionally, destination spending along the Oregon Coast (2013) amounted to \$1,657,000,000. For coastal economies that rely on travel spending, it would be a negative impact to our communities by closing the Brookings Welcome Center at Crissey Fields State Park—the gateway visitor center as one enters the state and travels north.

Coastal economies do not stop marketing to tourists come winter. As a matter of fact, state tourism research indicates more people visit the coast in January through March than they visit the remainder of the state. Our own local research reveals March is a shoulder season for Curry County, creating opportunity to increase visitor spending in the county.

I will be asking the Curry County Board of Commissioners, and all counties and cities along the coast, to support and forward a resolution to Travel Oregon, with a copy to Governor Kitzhaber, urging you to reconsider your decision. In addition to the impact closing the center will have on our economies, I also question why the very counties, cities and businesses impacted were not notified of your decision? Afterall, Curry County's net taxable lodging sales are over \$19 million (2013)—of which Travel Oregon receives approximately \$200,0000 to aid in marketing our region (an increase over 3% from the previous year).

Sincerely,

Julie A. Schmelzer

Recommended Motion:

Motion to accept the City's Audit for the fiscal year ended June 30, 2014.

Financial Impact:

None.

Background/Discussion:

Boldt, Carlisle & Smith LLC has completed the City's audit for the fiscal year ending June 30, 2014. A bound copy of the audit report and a copy of the "communications letter" were mailed directly from the audit firm to the City Council.

The City received an unqualified opinion on the June 30, 2014 audit; which means there were no exceptions, findings, or questioned costs.

Others Present: Curry Coastal Pilot Report Jane Stebbins and approximately 5 others.

Ceremonies/Appointments/Announcements

Appointment of Ray Hunter to the Planning Commission.

Mayor Hedenskog moved, a second followed and Council voted unanimously to appoint Ray Hunter to the Planning Commission.

Public Hearings/Ordinances

Public Hearing on LDC-3-14, revising Brookings Municipal Code (BMC) Section 17.168.050, to clarify service lateral installation requirements.

Mayor Hedenskog opened the legislative public hearing in the matter of file LDC-3-14 at 7:04 PM.

Hearing no exparte, declarations of conflict or personal interest, or objections as to jurisdiction, City Attorney Rice reviewed the guidelines and Planning Manager Colby-Hanks reviewed the staff report.

The public hearing was closed at 7:07 PM.

Mayor Hedenskog said this revision was a return to the original process.

Councilor Hodges moved, a second followed and Council voted unanimously to approve amendments to the Brookings Municipal Code as presented in File LDC-3-2014.

Ordinance 14-O-741, amending BMC Section 17.168.050 Service extension of the Brookings Municipal Code.

Colby-Hanks said the ordinance would adopt the changes approved under the public hearing.

Councilor Hodges moved, a second followed and Council voted unanimously to do a first reading of Ordinance 14-0-741.

Mayor Hedenskog read the title.

Councilor Hodges moved, a second followed and Council voted unanimously to do a second reading of Ordinance 14-O-741.

Mayor Hedenskog read the title.

Councilor Hodges moved, a second followed and Council voted unanimously to adopt Ordinance 14-0-741 [amending BMC Section 17.168.050 of Chapter 17.168].

Public Comments

Connie Hunter, Brookings, introduced herself as a "community builder," and thanked everyone involved in supporting veterans. She said the community needed to continue to give the veterans its support "while they are still here." Hunter also commented on the recent Agent Orange Town Hall, attended by the Mayor and City Manager, and said a welcome program was being planned.

Staff Reports

Discussion of Transportation System Plan Update deficiency priorities.

Planning Manager Colby-Hanks provided the staff report and asked Council if they had any deficiencies they wished to add.

Councilor Hodges added Center and Wharf where Wharf crosses Railroad at the pedestrian walkway near Bi-Mart and a similar situation that exists at 3rd Street and Ransom next to the basketball courts.

Colby-Hanks said she would email Council the deficiency lists, with their additions, so they could rank them and assign a level of service (C or D). She said she would need them back to her by November 14.

Councilor Hodges added looping Parkview into some other City street so there is more than one way into the City from that street, and Mayor Hedenskog said the City was waiting for two sites to be developed to make that connection.

Councilor McClain asked about the debris buildup item under the bike/pedestrian list, and Colby-Hanks said there was apparently a build-up of road debris at that location. McClain asked if this was a function of how often the streets are swept and Mayor Hedenskog said the City is under contract with ODOT to sweep twice a year and Director Pryce said the contract is to sweep once a month on Chetco Avenue inside the City limits, and twice a month outside City limits to Benham Lane. Hedenskog said that maybe this should be stepped up, depending on how many bicyclists complain.

Pryce pointed out they could only choose ten deficiencies from the bike/pedestrian list.

Placement of Veterans Wall of Honor inside City Hall.

City Manager Milliman presented the staff report.

Council discussed the location and generally agreed that they would like to see a concept of the wall.

Councilor Hodges moved, a second followed and Council voted unanimously to authorize placement of a Veterans Wall of Honor to be maintained by the Brookings Harbor Chamber of Commerce and local veteran's organization within City Hall.

Fund Exchange Agreement with Oregon Department of Transportation (ODOT).

Director Pryce gave the staff report.

Mayor Hedenskog said that, due to some major problems, street funds were running low, but this might be fixed with the fuel tax.

Councilor Hodges moved, a second followed and Council voted unanimously to authorize the City Manager to execute a fund exchange agreement with ODOT to apply

the remaining 2014 fund exchange balance of \$68,718 to the North Bank Stabilization Project.

Emergency procurement of anaerobic digester valve assembly.

Director Pryce presented the staff report.

Councilor Hodges asked if there was any way to use the "flame" for another purpose and Pryce said having a functional valve would allow the City to use more of the methane (the source of the flame) and reduce diesel use. Pryce said there are other studies underway or in the budget regarding additional potential uses and Dyer Engineering had just completed a study regarding redundant storage for the released gas as a way to reduce costs, but they didn't think it was feasible at this time. The new valve, she added, will improve the boiler process.

Mayor Hedenskog asked why staff didn't have authority to make this type of emergency procurement without Council's approval and City Manager Milliman said staff could have made the procurement if the situation threatened life or the purchase was necessary to immediately restore services; Council would then approve it retroactively. In this case, he said, the emergency provision will allow staff to purchase the valve assembly without putting it out to bid.

Pryce pointed out that the valve was already on order due to the long lead time.

Councilor McClain asked how much staff thought the City could have saved on the cost of the valve assembly if there'd been time to "shop it around."

Pryce said staff had contacted one other vendor but they wouldn't warranty their valve and there wasn't that much difference in price.

Councilor McClain asked if the City had an analysis of other expensive parts that might fail and Pryce said the City didn't have an active asset management program, although there is an incomplete system. She added that, while the valve was only 12 years old, the condition of the valve, given the highly corrosive nature of the salty air, was not uncommon.

Councilor McClain asked if the leak was a function of the part, or if preventative maintenance would have made it last longer and Pryce said preventive maintenance might have helped and staff would be doing more preventative maintenance moving forward.

Councilor McClain moved, a second followed and Council voted unanimously to approve emergency procurement of the anaerobic digester PRV valve assembly at a cost of \$46,362.20.

Resolutions

Resolution regarding fuel tax ballot measure.

City Recorder Heffington provided the staff report.

Mayor Hedenskog moved, a second followed and Council voted unanimously to adopt Resolution 14-R-1048, calling for a measure proposing a local tax on motor vehicle fuel sales to be placed before the qualified electors of the City of Brookings on the May 19, 2014 Primary Election Ballot.

Consent Calendar

- 1. Approve Council minutes for October 27, 2014.
- 2. Accept Public Arts Committee minutes for October 6, 2014.
- 3. Accept October 2014 Vouchers in the amount of \$481,513.15.
- 4. Approve Liquor License Application for Pacific Sushi & Grill, 613 A Chetco Avenue.

Mayor Hedenskog moved, a second followed and Council voted unanimously to approve the Consent Calendar as written.

Remarks from Mayor and Councilors

Mayor Hedenskog remarked on a call he'd received from the Pacific Sushi & Grill liquor license applicant on Friday, asking that his application be put on this agenda so the venue could open on schedule. Hedenskog said he'd contacted the Police Chief to see if they could get their local background check done that same day, only to find out that the City Recorder had already processed the application and cleared it with the City Manager to add it to the agenda.

Councilor McClain said that was the kind of story he liked to hear. He said the City strives to be business-friendly here and this is a good trend.

Mayor Hedenskog went on to remark about a goal added to the Strategic Plan by Councilor Pieper. The goal, he said, stated that the City would adopt a pro-growth attitude and what happened Friday - trying to solve things for businesses and not slow them down - was, in part, a result of that goal.

Adjournment

Mayor Hedenskog moved, a second followed and Council voted unanimously by voice vote to adjourn at 8:04 PM.

CALL TO ORDER

Meeting called to order at 4:07 PM

1. ROLL CALL

Present: Committee members Barbara Ciaramella, Candice Michel, Bob Pieper, Joe Willett, Chair

Tim Patterson

Absent: Skip Watwood

Also present: Public Works Admin Assistant Lauri Ziemer

2. APPROVAL OF MINUTES

Motion made to approve the minutes of September 18, 2014; motion seconded and Commission voted; the motion carried unanimously.

3. PUBLIC COMMENTS

None

4. ACTION ITEMS

a. Event Tent – Tim Patterson provided an update on the Event Tent, advising that the Port has not taken any action to assist with the purchase; he suggested redesignating the funds if they have not made a decision by end of the year. Motion made by Candice Michel that unless action is taken by the Port on the tent issue by the end of December 2014 the funds be redesignated; discussion pursued between committee members that they would still like the tent to happen with the Port but cannot wait forever. Motion seconded and Commission voted; the motion carried unanimously.

5. INFORMATIONAL ITEMS

- **a. Brookings Brochure** Lauri Ziemer provided members with tourism brochures from Garibaldi, OR; advised that she has contacted them to learn how their tourism brochures were funded and costs, but has not heard back yet. Barbara advised that the Welcome Center frequently gets requests from tourists for Brookings information and thought a brochure would be beneficial to promote Brookings. The committee agreed a small brochure should be pursued. Barbara advised that the state Welcome Centers do charge rack space to display brochures at @\$700 per year. Barbara to check further into brochure designs and rack space fees and Lauri to check further on brochure costs.
- b. Financial Support for Business Groups to Showcase their Industry Barbara Ciaramella presented outside-the-box idea to put aside \$1000 to \$2000 in TPAC funds to help local businesses showcase their product, promote their business and support tourism by having businesses volunteer to be on a business promotion list, and when a large visiting event group comes through, they could be contacted to provide services at cost to the City. The business gets publicity and potential customers and the city is encouraging and promoting tourism and local business. Tim questioned who would be contacting businesses for promotion items and negotiating the costs, Bob wondered why the businesses would participate if they are not paid full price for services. Idea to be presented to Gary for further discussion. Barbara also suggested

that business owners in town be encouraged to have their employees participate in the Travel Oregon's customer service program called "Q Care" that would help local businesses have better customer service. Tim suggested that committee members all take the course online before the next meeting to see if it is something they should encourage.

- **c. Radio Contract** Joe Willett advised the current radio spots are 30 seconds and he thought they were to be 60 seconds, going to clarify with Gary. Current spot running now is the Chetco Players Haunted House, next will be the Festival of Lights.
- **d. Approved TPAC Proposals** Lauri Ziemer advised that the City Council approved the McVay Rock Disc Golf and the Century Building Centennial Celebration event proposals.
- **e. Writers Association Conference** Barbara Ciaramella advised that she has photos, podcasts, stories and websites from the conference and will set up a Google drive to share all the information.
- 6. SCHEDULE NEXT MEETING Next meeting scheduled for November 20th at 4:00 pm.
- **7. ADJOURNMENT -** With no further business before the Committee, the meeting adjourned at 5:03 pm.

Respectfully submitted,

Tim Patterson, Chair

Subject: Agreement Renewal and Stipend Increase for Judge Richard Harper

Recommended Motion:

Motion to authorize the Mayor to execute an Agreement with Richard Harper to serve as Municipal Court Judge with a stipend of \$400 per court session effective January 1, 2015.

<u>Financial Impact</u>: \$1,200 per year in additional stipend payments to Judge Richard Harper assuming current schedule of one court session per month.

Background/Discussion:

Richard Harper has served as Brookings Municipal Court Judge for 17 years. The City Council recently completed a performance evaluation of Judge Harper. Over the course of the last 24 months, the case load of the Brookings Municipal Court has increased substantially as the City assumed the traffic court function. Heretofore, the Municipal Court only handled Municipal Code violation complaints, and only convened when a case was filed. With the assumption of the traffic court function, the Court now convenes monthly and may hear 5-20 cases in each session, and may also conduct 1-3 trials per month. This change has impacted the number of hours Judge Harper works.

Judge Harper's current compensation is paid in the form of a \$300 monthly stipend. During the evaluation process, the City Council indicated a desire to increase the stipend to \$400 per month. The proposed agreement provides for compensation of \$400 for each court session at which the judge presides, which is typically monthly.

Attachment(s):

a. Agreement for Judge Services with Richard Harper.

AGREEMENT FOR SERVICES MUNICIPAL JUDGE

This Agreement is made and entered into this	day of	, by and
between the City of Brookings ("City") a municip	al corporation of the	State of Oregon, and
Richard L. Harper, Municipal Judge ("Harper" or	"Judge"), collectively	referred to herein as the
"Parties."		

RECITALS

- 1. The City seeks to enter into a contractual agreement with Harper for the provision of Municipal Judge services.
- 2. Harper has served the City in the capacity of Municipal Judge since July 1, 1997.
- 3. Harper desires to continue to provide Judge services as defined herein.

NOW THEREFORE, the Parties agree as follows:

TERMS OF AGREEMENT:

1. <u>Contract for services</u>: The City contracts with Richard L. Harper for Municipal Judge services for the City of Brookings.

2. Duties of Municipal Judge:

The Municipal Judge for the City of Brookings shall:

- a. Fully and faithfully perform all duties of Municipal Judge as defined under Chapter 2.25 of the Brookings Municipal Code, and the duties and performance responsibilities as set forth in Exhibit "A", incorporated herein by attachment.
- b. Comply with all applicable federal, state, and local laws, ordinances, and regulations and faithfully discharge, to the best of his ability, the duties of the position.
- c. Perform such other duties as may be assigned by the City Council from time to time.
- **3.** <u>Compensation</u>: Beginning January 1, 2015, services will be compensated at the rate of \$400 per each Brookings Municipal Court session at which Judge presides.
- **4.** <u>Term</u>: Judge acknowledges that the City Council may, by majority vote, terminate this Agreement and relieve him of any and all Judge duties and responsibilities, for any reason and with or without notice. City acknowledges that Judge may also terminate this Agreement for any reason with or without notice. City Council shall review Judge's performance and this Agreement, annually.

5. Status as Independent Contractor:

a. The City and Judge enter this Agreement with the understanding that Judge will not be an officer or employee of the City, but rather will serve as an independent contractor. As such, Judge acknowledges that he will not be eligible to receive

- employee benefits, including, but not limited to: social security, worker's compensation and unemployment benefits.
- b. The City will not control the day-to-day activities and administration of justice by Judge.
- c. Judge hereby releases, acquits, and forever discharges City from any claims made by Judge, available to him now or in the future, that he is other than an independent contractor.
- d. Judge will indemnify, defend and hold the City harmless against any and all damages, costs, fees or expenses (including attorneys' fees) that he may have against the City arising from service to the City, except as otherwise set forth in this Agreement and excepting claims arising from a negligent act of the City.

6. General Provisions:

- a. This Agreement, including its exhibits, constitutes the entire agreement between the Parties. Each exhibit identified in this Agreement is attached hereto and incorporated by this reference.
- b. Any modification or amendment to this Agreement must be made in writing and signed by both parties.
- c. This Agreement is personal to the Parties. The Judge may not assign nor delegate any duties hereunder.
- d. This Agreement is executed on behalf of the City as authorized by its City Council.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be signed and executed in Brookings, Oregon on the day and year first written below.

City Manager Approval

Subject: Municipal Court Judge Pro Tem Agreement with James Fallman

Recommended Motion:

Motion to approve the Agreement with James Fallman for services as Municipal Court Judge Pro Tem services with a stipend of \$200 per court session.

Financial Impact:

Nominal as Judge Pro Tem Fallman rarely presides at Brookings Municipal Court.

Background/Discussion:

The City Council approved an Agreement with James Fallman to serve as a Municipal Court Judge Pro Tem in 2011. Since that time, Fallman has only presided at the Brookings Municipal Court on one occasion in the absence of Judge Richard Harper. Fallman currently also serves as Municipal Court Judge in Gold Beach.

This Agreement conforms the Judge Pro Tem Agreement to that of the Agreement with Judge Harper whereby compensation is provided for court sessions where the Judge Pro Tem presides, and provides for an annual performance and Agreement review.

AGREEMENT FOR SERVICES MUNICIPAL JUDGE PRO TEM

This Agreement is made and entered into this _	day of	, by and
between the City of Brookings ("City") a municip	oal corporation of the	e State of Oregon, and
James Fallman, Municipal Judge Pro Tem ("Fallr	man" or "Pro Tem"),	collectively referred to
herein as the "Parties."		

RECITALS

- 1. The City seeks to enter into a contractual agreement with Fallman for the provision of Municipal Judge Pro Tem services.
- 2. Fallman has served the City in the capacity of Pro Tem since April 20, 2006.
- 3. Fallman desires to continue to provide Pro Tem services as defined herein.

NOW THEREFORE, the Parties agree as follows:

TERMS OF AGREEMENT:

1. <u>Contract for services</u>: The City contracts with James Fallman for Municipal Judge Pro Tem services for the City of Brookings.

2. Duties of Municipal Judge Pro Tem:

The Pro Tem for the City of Brookings shall:

- a. Fully and faithfully perform all duties of Municipal Judge Pro Tem as defined under Chapter 2.25 of the Brookings Municipal Code, and the duties and performance responsibilities as set forth in Exhibit "A", incorporated herein by attachment.
- b. Comply with all applicable federal, state, and local laws, ordinances, and regulations and faithfully discharge, to the best of his ability, the duties of the position.
- c. Perform such other duties as may be assigned by the City Council from time to time.
- **3.** <u>Compensation</u>: Beginning January 1, 2015, services will be compensated at the rate of \$200 per each Brookings Municipal Court session at which Pro Tem presides.
- **1.** <u>Term:</u> Pro Tem acknowledges that the City Council may, by majority vote, terminate this Agreement and relieve him of any and all Pro Tem duties and responsibilities, for any reason and with or without notice. City acknowledges that Pro Tem may also terminate this Agreement for any reason with or without notice. City Council shall review Pro Tem's performance and this Agreement, annually.

5. Status as Independent Contractor:

a. The City and Pro Tem enter this Agreement with the understanding that Pro Tem will not be an officer or employee of the City, but rather will serve as an independent

- contractor. As such, Pro Tem acknowledges that he will not be eligible to receive employee benefits, including, but not limited to: social security, worker's compensation and unemployment benefits.
- b. The City will not control the day-to-day activities and administration of justice by Pro Tem.
- c. Pro Tem hereby releases, acquits, and forever discharges City from any claims made by Pro Tem, available to him now or in the future, that he is other than an independent contractor.
- d. Pro Tem will indemnify, defend and hold the City harmless against any and all damages, costs, fees or expenses (including attorneys' fees) that he may have against the City arising from service to the City, except as otherwise set forth in this Agreement and excepting claims arising from a negligent act of the City.

6. General Provisions:

URBAN RENEWAL AGENCY Minutes

City Hall Council Chambers, 898 Elk Drive, Brookings, OR 97415

Monday, October 27, 2014

Call to Order

Chair Hedenskog called the meeting to order at 7:50 PM, immediately following the City Council meeting.

Roll Call

Agency present: Chair Ron Hedenskog, Directors Jake Pieper, Kelly McClain, Brent Hodges and Bill Hamilton; a quorum present.

Staff present: Executive Director Gary Milliman, City Attorney Martha Rice and City Recorder Joyce Heffington.

Others present: Curry Coastal Pilot Report Jane Stebbins and approximately two others.

Consent Calendar

1. Approve September 8, 2014 Agency minutes.

Chair Hedenskog moved, a second followed and Council voted unanimously to approve the Consent Calendar as written.

Staff Reports

Facade Improvement Grant Program reinstatement consideration.

Executive Director Milliman provided the staff report.

Mayor Hedenskog said Agency funding was heavily committed to street projects.

Councilor Pieper said putting this on hold to the 2015-16 budget deliberations was a good idea.

Director Pieper moved, a second followed and Council voted unanimously to defer consideration of funding for reinstatement of Façade Improvement Grant Program to the 2015-16 budget deliberations.

Adjourn

Chair Hedenskog moved, a second followed and Council voted unanimously to adjourn by voice vote at 7:55 PM.

BROOKINGS URBAN RENEWAL AGENCY COUNCIL AGENDA REPORT

Meeting Date: December 8, 2014

Originating Dept: Finance & HR

Signature (submitted by) City Manager Approval

Subject:

Audit Report for the fiscal year ended June 30, 2014.

Recommended Motion:

Motion to accept the Brookings Urban Renewal Agency's Audit for the fiscal year ended June 30, 2014.

Financial Impact:

None.

Background/Discussion:

Boldt, Carlisle & Smith LLC has completed the Urban Renewal Agency's audit for the fiscal year ending June 30, 2014. A copy of the audit report and a copy of the "communications letter" were mailed directly from the audit firm to the Urban Renewal Agency Board.

The Urban Renewal Agency received an unqualified opinion on the June 30, 2014 audit; which means there were no exceptions, findings, or questioned costs.
