---

Kelly-

The Department of Environmental Quality (DEQ) has completed review of the Apex report titled *Annual 2023 Groundwater Monitoring and LNAPL Removal Report, Terminal 4, Slip 3 Upland Facility* dated February 14, 2024. DEQ provided EPA and the Tribes an opportunity to review the report and DEQ's draft comments, and they declined to provide additional substantive comments.

If you have questions, please contact me.

Respectfully,

Jeff K. Schatz, R.G.
Project Manager and Hydrogeologist
