Section 2. Bond Authorized.

- (1) The City hereby authorizes the issuance, sale and delivery of its Limited Tax Pension Pool Bond, Series 2004, in accordance with this Resolution and in an amount which is sufficient to produce net proceeds which do not exceed the most recent estimate of the City’s unfunded pension liability to OPERS which the City receives from OPERS prior to selling the Bond, plus the costs of issuing and selling the Bond, obtaining credit enhancement, paying the City’s share of any costs of the Program Trustee and any other costs of participating in the Program, and paying any interest on the Bond subject to Section 2(3) herein.
- (2) The issuance of the Bond and the participation in the Program shall not obligate the City to pay any portion of another government’s pension bonds or liabilities to OPERS.
- (3) Bond proceeds shall be used to pay the City’s unfunded pension liability to OPERS, to pay interest on the Bond for a period not to exceed four years and to pay costs of issuing and selling the Bond, including any costs of the Program Trustee and credit enhancement.
- (4) The Bond shall be a “federally taxable bond” which bears interest that is not excludable from gross income under Section 103(a) of the Internal Revenue Code of 1986, as amended. Interest shall, however, be exempt from Oregon personal income taxation.
- (5) OPERS currently requires the City to pay this unfunded liability over a period of years. OPERS charges the City eight percent per annum because OPERS expects, over the long term, to earn eight percent on its investments. Refinancing that liability at a lower rate of interest should, therefore, reduce costs for the City. To ensure that the rate of interest on the Bond will be less than the rate of interest which OPERS expects to earn, the Bond shall not be sold at a true interest cost of more than 7.00% per annum.

Section 3. Delegation.

If the City Official determines that the City shall issue the Bond, the City Official is hereby directed, on behalf of the City and without further action by the Council, to:

- (1) Participate in the preparation of, authorize the distribution of, and deem final any official statement or other disclosure documents relating to the Bond or the Program Obligations.
- (2) Establish the final principal amounts, maturity schedules, interest rates, sale prices and discount, redemption terms, payment terms and dates, Security Payment terms, and other terms of the Bond.
- (3) Negotiate the terms of, and enter into a bond purchase agreement, which provides for the acquisition of the Bond by the Program Trustee.

- (4) Approve and execute and deliver an intergovernmental agreement and the Program Trust Agreement, or an intergovernmental agreement which is combined with the Program Trust Agreement, which directs the Program Trustee to issue the Program Obligations and provides for the administration of funds held by the Program Trustee, and any other agreements or documents which may be required for participation in the Program. However, delivery of the Bond to the Program Trustee shall constitute execution of the Program Trust Agreement by the City, and the City shall be bound by the Program Trust Agreement upon delivery of the Bond to the Program Trustee.
- (5) Undertake to provide continuing disclosure for the Bond in accordance with Rule 15c2-12 of the United States Securities and Exchange Commission.
- (6) Apply for ratings on the Bond or the Program Obligations and purchase municipal bond insurance or obtain other forms of credit enhancements for the Bond or the Program Obligations, enter into agreements with the providers of credit enhancement, and execute and deliver related documents.
- (7) Execute and deliver the Bond to the Program Trustee.
- (8) Negotiate the terms of, and enter into guaranteed investment contracts or other agreements for the investment of capitalized interest, if any.
- (9) Execute and deliver any agreements or certificates and take any other action in connection with the Bond which the City Official finds is desirable to permit the sale and issuance of the Bond in accordance with this Resolution.

Section 4. Security for Bond.

- (1) The City hereby pledges its full faith and credit and taxing power within the limitations of Sections 11 and 11b of Article XI of the Oregon Constitution to pay the Bond. The Bond shall be a limited tax bond of the City as defined in ORS 288.150, and the City shall pay the Bond from its Available General Funds. The City is not authorized to levy additional taxes to pay the Bond.
- (2) To secure the payment of the Bond, the City shall make the Security Payments as provided in the Bond. The Security Payments shall be applied to make Bond Payments.
- (3) This Resolution shall constitute a contract with the Trustee, and the owners of the Program Obligations shall be third-party beneficiaries of this contract.

Section 5. Redemption.

The principal component of Bond Payments shall be subject to redemption on the dates and at the prices established by the City Official pursuant to Section 3(2) and in accordance with the Program Trust Agreement.

Section 6. Covenants.

The City hereby covenants and agrees with the Owner of the Bond as follows:

- (1) The City shall promptly cause Security Payments and the principal, premium, if any, and interest on the Bond to be paid as they become due in accordance with the provisions of this Resolution and the Bond.
- (2) The City covenants for the benefit of the Program Trustee to pay the Additional Charges reasonably allocated to it by the Program Trustee, in accordance with the invoices for such Additional Charges which are provided by the Program Trustee pursuant to the Program Trust Agreement.
- (3) To the extent permitted by law, the City covenants and agrees to indemnify and save the Program Trustee harmless against any loss, expense or liability which is reasonably allocable to the City and which the Program Trustee may incur arising out of or in the exercise or performance of its duties and powers under the Program Trust Agreement relating to the Bond, including the costs and expenses of defending against any claim or liability, or enforcing any of the rights or remedies granted to it under the terms of the Program Trust Agreement in connection with the Bond, excluding any losses or expenses which are due to the Trustee's breach of fiduciary duties, negligence or willful misconduct. The obligations of the City under this Section 6(3) shall survive the resignation or removal of the Program Trustee under the Program Trust Agreement and the payment of the Program Obligations and discharge under the Program Trust Agreement. The damages claimed against the City shall not exceed the damages which may be allowed under the Oregon Tort Claims Act, Oregon Revised Statutes Section 30.260, et seq., unless the provisions and limitations of such act are preempted by federal law, including, but not limited to the federal securities laws.

Section 7. Amendment of Resolution.

The City may amend this Resolution only in accordance with the Program Trust Agreement.

Section 8. Default and Remedies.

- (1) The occurrence of one or more of the following shall constitute an Event of Default under this Resolution:
 - (A) Failure by the City to pay Bond principal, interest or premium when due (whether at maturity, or upon redemption after principal components of Bond Payments have been properly called for redemption);
 - (B) Failure by the City to make any Security Payment within five Business Days after it is due;
 - (C) Failure by the City to observe and perform any covenant, condition or agreement which this Resolution requires the City to observe or perform for the benefit of the

Program Trustee, other than as set forth in Section 8(1)(A) or 8(1)(B), which failure continues for a period of 60 days after written notice to the City by the Program Trustee specifying such failure and requesting that it be remedied; provided however, that if the failure stated in the notice cannot be corrected within such 60 day period, it shall not constitute an Event of Default so long as corrective action is instituted by the City within the 60 day period and diligently pursued, and the default is corrected as promptly as practicable after the written notice referred to in this Section 8(1)(C); or,

- (D) The City is adjudged insolvent by a court of competent jurisdiction, admits in writing its inability to pay its debts generally as they become due, files a petition in bankruptcy, or consents to the appointment of a receiver for the installment payments.
- (2) The Program Trustee may waive any Event of Default and its consequences, except an Event of Default described in Section 8(1)(A).
- (3) If an Event of Default occurs and is continuing the Program Trustee may exercise any remedy available at law or in equity; however, the Bond Payments shall not be subject to acceleration.
- (4) No remedy in this Resolution conferred upon or reserved to the Program Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Resolution or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. To entitle the Program Trustee to exercise any remedy reserved to it, it shall not be necessary to give any notice other than such notice as may be required by this Resolution or by law.

Section 9. Defeasance.

The City may defease all or any portion of the Bond Payments in accordance with the Program Trust Agreement.

Section 10. Form.

The Bond shall be issued as a single installment bond in substantially the form attached hereto as Exhibit A, with such changes as may be approved by the City Official. The Bond shall be executed on behalf of the City with the manual signature of the City Official.
