Resolution No. 02-R-706

WHEREAS, the City of Brookings elects the following:

Pursuant to ORS 656.031, workers' compensation coverage will be provided to the classes of volunteer workers listed on the attached Volunteer Election Form.

1. An assumed monthly wage of \$800 per month, as required by Oregon statute, will be used for public safety volunteers; and
2. Non-public safety volunteers will keep track of their hours and have their assumed payroll reported in the correct class code for the type of work being performed using Oregon minimum wage; and
3. Court-mandated community service workers/inmates on work release may be covered for workers' compensation benefits by the sentencing court. Coverage will be determined prior to work inception and stipulated to in writing between the City of Brookings and the respective sentencing court. Court-mandated volunteers will keep track of their hours and have their assumed payroll reported in Class Code 7720V using Oregon minimum wage; and
4. A roster of active volunteers (public safety, non-public safety, and community service workers/inmates on work release) will be kept monthly for reporting purposes. It is acknowledged that City/County Insurance Services may request copies of these rosters during year-end audit; and
5. Unanticipated volunteer projects or exposure not addressed herein will be added onto the City of Brookings' coverage agreement (1) by endorsement, (2) with advance notice to CIS, and (3) allowing two weeks for processing. It is hereby acknowledged that coverage of this type cannot be backdated.

VOLUNTEER ELECTION FORM

CIS' ability to provide workers' compensation coverage for volunteers is directly related to each entity's ability to keep verifiable records of the names and hours worked by participants. Claims adjusters will require copies of rosters to verify coverage at the time of a claim.

Public Safety Volunteers

The following volunteer positions are reported in NCCI Classification Code 8411, using an assumed monthly wage of no less than \$800 per volunteer per month (regardless if one day or 30 are worked) for premium payment and calculation of benefits. This assumed monthly wage may be increased at the employer's discretion in increments of \$100. *Please refer to your entity's volunteer resolution for the amount to use in filling out Column No. 2 below.*

*Using last year's rosters, estimate the number of volunteer months for each position and enter the total on the appropriate line in Column (1). Some volunteers are not active every month, i.e., one volunteer firefighter may be active five months out of the year, two volunteer firefighters may be active 12 months out of the year, and five volunteer firefighters may be active only one month out of the year. Thus, the number of volunteer firefighter months would be 34.

Inmates/Community Service Workers: If your entity uses workers from the correctional system (i.e., community service workers, inmates on work release, peer review crews, etc.), it is important to clarify in writing who will provide workers' compensation coverage for these workers prior to work inception. CIS recommends you obtain a Certificate of Coverage for Workers' Compensation from the sentencing court or make arrangements to provide coverage through your own entity. If you are responsible for providing the workers' compensation coverage, be sure to keep monthly time records for these workers and report them using Oregon minimum wage. CIS has designated Class Code 7720V for this type of exposure.

Miscellaneous: Assumed payroll for all other volunteer elections should be computed at Oregon minimum wage using actual hours worked and reported in the appropriate NCCI classification code with a "V" added to the end. Unanticipated volunteer projects or exposure can be added throughout the coverage year (1) by endorsement, (2) with advance notice to CIS, and (3) allowing two weeks for processing. *Coverage of this type cannot be backdated.*
