Hello Jeff,

Thanks for your response. Unfortunately, Chris and I are not available on the days/times listed in your email. Are you and Rebecca available on the 18th or 19th?

Hello Mark-

DEQ would welcome the idea of a meeting to discuss the VI work plan and its comments on the document. Unfortunately, my project peer is out of town on both of those dates. She is back on April 10, and there is availability on the afternoon of April 10 (1:30 to 4:30 PM).

Other possible dates/times:
4/15/24 2:00 to 4:00 PM
4/16/24 10:00 AM to 12:00 PM
4/17/24 10:00 AM to 12:00 PM

Please let me know if any of these alternative meeting times work for you. Best,

Jeff K. Schatz, R.G.
Project Manager and Hydrogeologist
Department of Environmental Quality

Hi Jeff,

We have reviewed DEQ's comments on the VI work plan and would like to schedule a meeting to discuss overall strategy and next steps in anticipation of preparing our response.

Chris and I generally are available next Monday and Tuesday, April 8 and 9. Please let me know if DEQ has availability on those days or suggest days and times that would work for your team.

Thank you.
