Hello Mark-

I wanted to let you know that I'm taking a few days leave that bookend the Labor Day Holiday. I'm planning to be away Thursday 8/29 through Tuesday 9/3, back to work on Wednesday 9/4. I will have my work cell phone with me and may sporadically check email as possible, but If a question needing immediate attention arises and I'm out of a service area, please contact Kevin Parrett at (503-860-4839).

Can you give an update on the planned start of the vapor intrusion investigation at Temco? Is that still going to be completed by the end of this week?

Hope you have a nice holiday.

Best,
