Vehicles*

WHEREAS, the City of Brookings needs to procure four new patrol vehicles for the Brookings Police Department; and

WHEREAS, the Brookings Police Department has budgeted \$36,000 for leasing four new patrol vehicles in fiscal year 2000; and

WHEREAS, the City of Brookings has investigated the availability of the lease purchase of four new fully equipped Ford Crown Victoria, V8 Police Interceptors and that Auto Additions, Inc. of Brooks, Oregon is the only company in Oregon in the business of offering the lease purchase of new police vehicles and fully equipping them to police department specifications as part of the monthly leasing cost; and

WHEREAS, there are a limited number of these police vehicles available for procurement at this time and any delay will result in not being able to receive the vehicles and have them on the road until early December, 2000; and

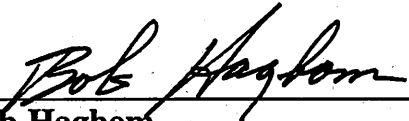

WHEREAS, substantial cost savings can be realized through the lease purchase of four new police patrol vehicles from the single available source in the State of Oregon; and

WHEREAS, it is unlikely that an exemption from competitive bidding in this instance would encourage favoritism in the awarding of contracts or diminish competition.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF BROOKINGS THAT:

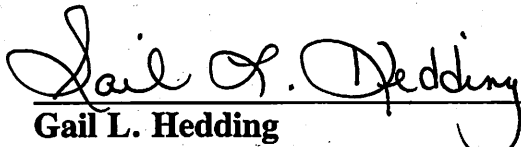

The lease purchase of four new police patrol vehicles for the City of Brookings Police Department, as identified above, is exempted from competitive bidding requirements set out in ORS Chapter 279, City of Brookings ordinances and resolutions.
