Subject: IRAM Report - Former Johnson Oil Site (05-87-0033)
Hi All,
Please see the attached final IRAM report prepared for the former Johnson Oil site under Task Order 72-18-31. We will be mailing two hard copies of the report to DEQ's Portland office tomorrow.
Please let me know if you have any additional questions or comments. We look forward to discussing the next steps for the project in our meeting next week.
Thanks
