No problem, Rick! Thank you for your continued support of this project. I wasn't sure of your interest for continued participation or support of this (or other DEQ cleanup) projects. I'll continue to include you on communications until you inform me otherwise.

Cheers,

CAUTION: External Email

Hi Steve and Jennifer,

While efforts to remove heavily contaminated soil at the former Johnson Oil site were successful, there is still work to be done. Please let me know if any of the dates/times work for you to have a 1-hour scoping meeting to discuss next steps:

Aug. 4th – 10 AM to 12 PM
Aug. 10th – 10 AM to 12 PM
Aug. 12th – anytime between 9 AM and 3 PM

Once you confirm the date/time, I'll send a meeting invite. Feel free to let me know who else should be invited.

Sincerely,
Kara Master
