Thanks for your guidance and patience as I got up to speed with this project. As there is only one last, small edit to make to the Tables and no additional comments appear to warrant further discussion, I'll cancel the meeting for Thursday and send the draft report back to H&A to be finalized.
Cheers,

I did not have much to add after looking at the redline either. Nice job getting this one pushed through, Kara!

Hi Kara,
I went through the red-line version and it looks good. I responded to your comments. The figures look really good. If you are ok with it after you review my comments. Please send it back to Steve and ask him to finalize it. We can still meet if you would like to go through it but up to you.
Thanks
Katie

Hi Katie,
I've saved the revised draft documents here: \\deqnwr1\VCSSHARE\Rebecca Wells-Albers Project Files\Brownfields\Columbia County\Johnson Oil\13-Interim-Remedial-Actions\Drafts\IRAM-Report-Draft

If you sort by Date modified, they are the 3 documents that appear at the top of the list. I'll look at our calendars for a time later next week (I'm on leave 7/29) to meet to discuss any final comments/edits we may have before sending back to H&A to finalize the report.
