Good afternoon, Oregon DEQ Managers –

I am sending this email as a notification that as part of a larger contracting effort, Chevron has transitioned OR sites from Arcadis to AECOM. Attached please find an official notification letter should you prefer to upload into your system of record.

We have conducted hand-off meetings with the new AECOM team, and you should be hearing from them as they begin engaging on your sites.

In the meantime, if you have questions or need immediate assistance, please feel free to contact me directly.

Thank you and happy holidays.
Tim
