Robert,

Hope you are well. I wanted to follow up with you and discuss the Stanley Proto Tools site and PFAS. Let me know your availability.

Thanks
Peter

Rob,
Attached for your review is a work plan for the semi-annual groundwater monitoring that has been requested by DEQ for the former Stanley Proto Tools site in Milwaukie OR. We look forward to any comments or questions you may have on the plan. We would like to conduct the first monitoring event in March 2021 with a date to be determined in coordination with the City of Milwaukie.

Best regards,
Roger Brown
