Hello Rob, I am wondering by chance if you have uploaded the link from the out source company that scanned the whole site? Please let me know so that I can recycle the hard copies to site # 1171 Stanley Proto Tool.
Thank You,
Dawn

I believe most of my emails are on ORMS, I may need to add a few. Otherwise, I think most is physical file still since the site is essentially closed, just doing some monitoring. -Rob

Dawn,

I received a request from Julia Hernandez from EKI Consult for ECSI – 1171 – Stanley Proto Tool.

They want the entire file scanned.

Thank you,

BJ
