

RESOLUTION NO. 418

WHEREAS, the City of Brookings has received a Notice of Violation and Intent to Assess Civil Penalty from the Oregon Department of Environmental Quality on December 11, 1986 with regard to the present operation of the wastewater treatment plant belonging to the City of Brookings; and

WHEREAS, the City of Brookings engaged the consulting engineering firm of Brown & Caldwell, Eugene, Oregon in order to prepare a wastewater facility plan which was designed to bring the capacity of the present wastewater treatment facility plan into compliance with the regulations of the Oregon Department of Environmental Quality; and

WHEREAS, the engineering firm of Brown & Caldwell has studied the needs of the City of Brookings and has prepared a wastewater treatment facility plan dated June 1987 with an updated addendum to said plan dated November 1987; and

WHEREAS, the City of Brookings has held a public hearing on the original wastewater treatment facility plan developed by Brown & Caldwell in June of 1987 and held a supplemental public hearing on the addendum to the wastewater treatment facility plan on November 23, 1987; and

WHEREAS, the Common Council of the City of Brookings has reviewed said plan and heard comments on the plain through public hearings; and

WHEREAS, the Common Council of the City of Brookings desires to adopt the wastewater treatment facility plan as referred to above with its addendum and to proceed with the implementation of the plan;

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Brookings, Oregon hereby adopts the wastewater treatment facility plan of June 1987 and its addendum of November 1987 as prepared by Brown & Caldwell, Consulting Engineers, Eugene, Oregon, and the terms of the City of Brookings shall take whatever steps are necessary to implement the recommendations of the plan.

PASSED AND ADOPTED this 23rd day of November, 1987.
