

RESOLUTION

144

BE IT RESOLVED BY THE CITY OF BROOKINGS, AS FOLLOWS:

1. That the Council of the City of Brookings, Oregon, having deemed it necessary and expedient, does hereby declare its intention and purpose to commence the following improvements:

Exhibit "A" attached hereto and by reference incorporated herein as though set forth in its entirety.

2. That the plans, specifications and estimate for said improvements required by the City Engineer by a motion of the Council on the 12th day of November, 1969, and submitted to the Council on the 9th day of December, 1969, are hereby approved and adopted; and this Resolution, together with a copy of such plans, specifications and estimates, shall be filed with the Recorder, and shall be available for public inspection within the office of the Recorder.

3. That the Council hereby defines the boundaries of the assessment district to be benefited and assessed for said improvements as follows:

Exhibit "B" attached hereto and by reference incorporated herein as though set forth in its entirety.

4. That the Council hereby determines that the benefited property to be assessed within said district by lots, block and additions is as follows:

Exhibit "C" attached hereto and by reference incorporated herein as though set forth in its entirety.

5. That the probable cost of said improvements as estimated by the City Engineer will be \$ 9,600.00. That the property within said district to be benefited by said improvements shall be assessed by the square foot method; and that the City of Brookings may issue a promissory note, or notes, as a general obligation of said City for the interim financing of said improvements. That the City is authorized to pay for the cost of any part of the improvements

which in the opinion of the Council warrants only a partial payment or no payment by the benefited property of the cost of such part of the improvement.

6. That the construction work may be done in whole, or in part, by the City of Brookings, by a contract or by any other governmental agency, or by any combination thereof.

7. That a public hearing will be held before the Council at the Council Chambers of the City Hall in Brookings, Curry County, Oregon, at the hour of 8:00 o'clock P.M. on the 13th day of January, 1970, to hear and consider objections and remonstrances to the above proped improvements.

8. That the Recorder shall give notice of such improvement by publication twice in the Brookings Harbor Pilot, a newspaper of general circulation within the City of Brookings, the first publication to be more than ten days prior to the date of the date of the hearing, and by mailing copies of said notice by registered or certified mail to the owners of the property to be assessed.

Duly passed and adopted by the Council and signed by the Mayor this 9th day of December, 1969.

Mayor
