SPECIAL CITY COUNCIL MEETING
Brookings City Hall Council Chamber
898 Elk Drive, Brookings, Oregon
Monday, May 5, 2008

Call to Order

Mayor Anderson called the meeting to order at 8:03pm.

Roll Call

Council Present: Mayor Larry Anderson, Council President Ron Hedenskog and Councilor Kitchen. *Absent:* Councilor Dave Gordon.

Staff Present: City Manager Gary Milliman, Public Works Director John Cowan, and City Recorder Joyce Heffington.

Others present: Curry Coastal Pilot Editor Scott Graves, and three members of the public.

Agenda Item

City Manager Milliman presented the staff report regarding the County's decision to deny the Oregon Department of Transportation's (ODOT) weigh station relocation project and requesting direction from Council as to whether or not to proceed with an appeal.

After some discussion, it was generally agreed by Council that, while the weigh station relocation is an issue to be worked out between ODOT and the County, the signalization project is a safety issue that needs to be addressed by the City.

Councilor Kitchen moved, a second followed and Council voted unanimously to authorize the City Manager to retain legal services, allocate staff resources, and prepare an appeal of the County Planning Decision, file #AD-0803, and to join in the preparation of an appeal of the same action by the Oregon Department of Transportation.

Adjournment

Councilor Hedenskog moved, a second followed, and Council voted unanimously by voice vote to adjourn at 8:24pm.

Following the Special Meeting, Council met for a **workshop** to review the Storm Drain Fee Study and related materials. In attendance were Mayor Anderson, Councilors Kitchen and Hedenskog, Public Works Director John Cowan, Curry Coastal Pilot Editor Scott Graves, and three members of the public.

Respectfully submitted:

Larry Anderson, Mayor
