

RESOLUTION No. 59

WHEREAS, the City of Brookings, Oregon, has heretofore made and entered into certain contracts specifically described hereafter for the construction^{and} installation of certain sanitary sewer lines and facilities; and

WHEREAS, all of said contracts have been completed to the satisfaction of the City of Brookings in conformity with the plans and specifications^{and} it is desirable that the City should accept the said projects.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Brookings, Oregon, in regular session on November 9, 1960, that the following described projects have been completed in accordance with the plans and specifications provided, and the City ~~does~~ hereby formally accept the projects listed below:

1. Contract of October, 1958 with Schroeder Plumbing & Heating Company for construction and installation of sewage disposal plant at the contract price of \$105,968.00, Project No. WPC-ORE-29.

2. Contract of September, 1959 with Schroeder Plumbing & Heating Company for the construction of sewage pumping station at the contract price of \$11,983.00, Project No. WPC-ORE-29.

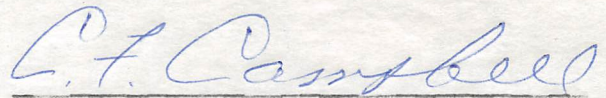

3. Contract of August, 1959 with the Riverside Construction Company for the construction of West Interceptor sewage line at the contract price of \$39,864.00, Project No. WPC-ORE-29.

4. Contract of September 13, 1960 with the Brookside Construction Company for installation of ^{outfall} ~~sewer~~ sewer line at the contract price of \$1,108.80, Project No. WPC-ORE-29.

BE IT FURTHER RESOLVED that the City Recorder is authorized to prepare a certified copy of this Resolution for submission to the proper governmental bodies.

UNANIMOUSLY ADOPTED by the Council of the City of Brookings, Oregon this 9th day of November, 1960.

SUBMITTED to and approved by the Mayor of the City of Brookings, Oregon, this 9th day of November, 1960.

MAYOR
