

RESOLUTION NO. 53

WHEREAS, it is understood that a petition has been filed with the State Board of Education for the formation of an Area Education District which would include within its boundaries all or a portion of Curry County; and

WHEREAS, it is understood that it is proposed to operate in said Area Education District an education center or community college which would be located at Coos Bay, Oregon, which is the population center of the proposed Area Education District; and

WHEREAS, it is understood such educational facilities would not provide a campus or accommodation for the boarding and rooming of its students; and

WHEREAS, by reason of the distance and topography involved it would not be feasible or practical for students from Curry County and more particularly the Southern portion of Curry County to attend such an education center or community college as is proposed or practical in such an Area Education District if it be established; and

WHEREAS, by reason of the tremendous population increase in Curry County, and more particularly the Southern portion thereof, such area has been extended to the limit to provide grade and high school education facilities for its youth and it is not in a position to participate in such further educational opportunities as the one proposed in the proposed Area Education District,

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Brookings, meeting in regular session on May 10, 1960, that the proposed Area Education District could not offer any educational advantages of which the youth of Curry

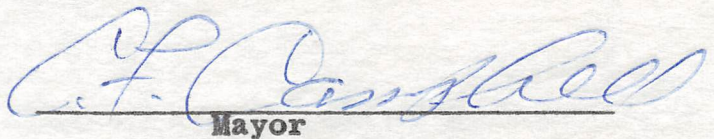

County, Oregon, could use to their benefit and advantage, and that the Curry County area proposed to be included in the proposed Area Education District would not be benefited and could not be benefited by the educational facilities of such district.

BE IT FURTHER RESOLVED by the Council of the City of Brookings that it does unanimously oppose the inclusion of all or any portion of Curry County within the boundaries of the proposed Area Education District and affirmatively urges that all of Curry County be excluded from the boundaries of the proposed district.

BE IT FURTHER RESOLVED that the City Recorder be and she hereby is authorized and instructed to prepare a certified copy of this resolution for presentation to the State Board of Education at the hearing scheduled for May 17, 1960, and any adjournments or continuations thereof.

ADOPTED by a unanimous vote of the Council of the City of Brookings, on May 10, 1960.
