**III. Council Business - Emergency Sewer Main Repair - Elk Drive**

City Manager Dennis Cluff explained that the purpose of the emergency meeting is to request council to authorize the city manager to enter into an emergency contract for repairs for a collapsed sewer main. The sewer main is located on Elk Drive just above the intersection with Ross Road. Community Development Director Leo Lightle explained that three contractors had been contacted for estimates. Two of the three contacted were unable to do the job. The third contractor, B & B Excavating, estimated the job at \$50 per foot or approximately \$19,000.

Mr. Cluff advised that there are no monies in the 1992-93 wastewater collection budget to pay for the repairs; that the monies would have to come from System Replacement Fees.

Councilor Hagbom moved to authorize the city manager to enter into an emergency contract for repairs for a collapsed sewer main on Elk Drive, which motion was seconded by Councilor Brendlinger. The clerk called the roll with the following results:

**Ayes: Councilors Brendlinger, Curry, Hagbom, Mayor Davis**

**Nays: None**

**Motion carried; city manager authorized to enter into an emergency contract for repairs for a collapsed sewer main on Elk Drive.**

**Community Development Director Leo Lightle requested authorization to close Elk Drive, if necessary, while construction is proceeding.**
