CITY OF BROOKINGS COMMON COUNCIL MEETING CITY HALL COUNCIL CHAMBERS

898 ELK DRIVE BROOKINGS, OR 97415 JANUARY 14, 2002 7:00 P.M.

King, Martin Luther, Jr. (1929-1968), American clergyman and Nobel Prize winner, one of the principal leaders of the American civil rights movement and a prominent advocate of nonviolent protest. King's challenges to segregation and racial discrimination in the 1950s and 1960s helped convince many white Americans to support the cause of civil rights in the United States. After his assassination in 1968, King became a symbol of protest in the struggle for racial justice.

Re:

Budget Calendar & Budget Officer

BACKGROUND

It's budget time again!

Included in the council packet is the proposed budget calendar. The calendar is a guideline for staff, City Council and the Budget Committee. Each year the budget calendar must be approved by City Council.

City Council must appoint a budget officer. The budget officer is responsible for preparing and submitting the annual budget to the Budget Committee.

RECOMMENDATION

- 1. Approve the budget calendar as presented
- 2. Appoint the City Manager as Budget Officer.

Nature's Coastal Holidays

Nature's Coastal Holiday – 2001 holiday light display ended successfully, in spite of extreme weather conditions and reduced number of display days self endorsed and weather related. Nature's Coastal Holidays decided to reduce the number of display days to 23 days this year, and extreme weather conditions of rain and wind resulted in their closing the holiday light display for two days. Therefore, the total exposure days were reduced by 4 days compared to last year's 25 total days. Attendance was less than last year, but the majority of the display evenings were in heavy rains, as compared to last years fair weather season. We had more lights and more volunteer hours and people involved. A truly beautiful "community" event! As volunteer hosting coordinator - I thank you and our citizens for making this year another success story! Following are 2001 and 2000 statistics for your comparison:

2002 Dec 8 through 30 (2 closure days)	2001 <u>Dec 7 through 31 (no weather closures)</u>
10,374 signed in guests	14,700 signed in guests
\$11,087 donations	\$14,470 donations
100,000 lights	95,000 lights
552 volunteer hosting hours	490 volunteer hosting hours
22 volunteer organization hosts	19 volunteer organization hosts

IV. CEREMONIES/APPOINTMENTS ANNOUNCEMENTS

A. Announcements

 Donation to Brookings Volunteer Fire Department, by BHHS Powder Puff Football organizers
 Four students from Brookings Harbor High School (Julia Huxtable, of Pleasant Hill Drive; Jessica Andrews, of 97986 Lively; Lindsey Wood, of 1830 Meadow Lane, and Mandy Gilmore, of 98041 Hall Way, Brookings) presented Brookings Volunteer Fire Association Fire Captain Dennis Ward with a check in the amount of \$1,538.00. These funds came from an organized Senior Project by these young ladies in the form of a Powder Puff Football game during Homecoming week. Originally, the money raised was to be for relief efforts in New York. Later, it was decided it would be better to keep the funds locally for our own Fire Department. The Fire Department and Council expressed their deepest appreciation.

- 2. Introduction of new employee Kelly Sevey / Police Officer
 Police Chief Chris Wallace presented Kelly Sevey to Council as the
 department's newest Police Officer. Sevey originally joined the Gold
 Beach Police Department in 1990.
- 3. Introduction of new employee Susan Frisch / Part-time Communications Officer, Police Department
 Police Chief Chris Wallace introduced Susan Frisch as the new part-time Communications Officer in the Police Department.

Chief Wallace asked Lt. John Bishop to present two additional items to Council

Lt. Bishop advised the VIPS (Volunteers in Police Service) were in serious need of a new vehicle, and that he had been working on securing one for them, but was having difficulty in finding funds (\$3,000) for an excellent restored police vehicle coming out of Idaho. Suddenly, City Manager Blodgett informed him (Bishop) Mrs. Delores Loring had called donating \$3,000 for a good cause. Blodgett knew just the "cause." Bishop thanked Mrs. Loring, who was not present at the meeting, for her kindness. Arrangements for the restored vehicle have been made and it will be delivered with one or two weeks. Additionally, the vendor has offered monies for the old VIPS car.

Bishop also provided an update on the 911 Consolidation, as mandated by the state, which will not be saving funds, or cutting funds. The state will be reallocating funding by shuffling the money around. Plans discussed or in writing are not written in stone, because many other conditions must be in place before our 911 Center will change.

V. SCHEDULED PUBLIC APPEARANCES

A. Pete Smart, General Manager Curry Transfer and Recyling – complying with state required recycling goals

General Manager Pete Smart refreshed Council's memory regarding a prior Senate Bill which passed sometime ago which established what percentage of recycling was required to be done timely. HB3744 unanimously passed, which has brought with it a few more opportunities to recycle. Smart briefly reviewed Curry Co's status on some of the requirements: Curry County Wasteshed Plan 2005 and 2009 was provided to Council (a copy is included as part of these minutes). He stated in 1992, 21% of tons collected went to land fill based on the number of tons recycled. The following percentages ensued: 1993 - 25%, 1994 - 27%, 1995 - 31%, 1996 - 35%, 1998 - 29%, 1999 - 27%, and in 2000 - 41%. Curry County was 3rd in the entire State. Smart reported CTR has applied for a hazard waste grant through the State to come in 2002, which appears to be very favorable for Curry County. Discussion ensued.

Curry County Wasteshed Plan 2005 and 2009

Curry County is already in compliance with our recycling goals for 2005 and 2009, we believe that the department needs only a narrative of our recycling work. Curry County (and its incorporated cities) has worked very hard to meet and exceed our recycling goals. We are proud of our 2000 recycling rate of 41%.

1. Recycling Drop-offs for the watershed

Curry County has five Transfer stations which accept recycling from the general public. The transfer stations are located at Port Orford, Gold Beach. Agness, Wridge Creek (near Brookings) and at the Recycling bailing facility in Brookings. With some minor differences, each station accepts newsprint, cardboard, plastic, motor oil, Automobile and truck tires, glass (clear, brown and green), magazines, office pack, lead based batteries, tin cans (steel), scrap metal, wood waste and appliances. There is also alternate locations for newsprint in Port Orford at Rays food place, Gold Beach at Rays food place, Harbor at Chetco Federal Credit Union, and Brookings at Rays food place.

2. Recycling pickup for the watershed

The solid waste hauler for Curry County has also established county wide residential curbside recycling routes that covers about 85% of residents. They pick up and sort glass, plastics, newsprint, cardboard, tin cans, magazines and aluminum. These route pickups and collected recyclables from the transfer stations are all taken to the Recycling facility in Brookings where the bailer is located for bailing and shipment. Appliances, automobile bodies and major pieces of scrap metal are held at Wridge Creek until a scrap processor can come to the location and load them for shipment.

Commercial locations are also given the opportunity to recycle cardboard and depending upon the type of business, other types of recycling (office pack, newsprint). Some construction debris is diverted to Wridge Creek from the waste stream and held there for further processing.

3. Yard Debris Collection

The waste hauler (C.T.R) provides curbside collection an free drop off for yard debris twice a year (spring and fall). C.T.R participates in a free yard debris drive to divert as much yard debris as possible out of the landfill.

There is also a <u>Metal drive</u> Twice a year (spring an fall) to coincide with yard debris program. C.T.R. works together with the Cities and County to provide, free drop-off in two locations in the County for metal recycling.

4. Education on Recycling

Curry Transfer & Recycling the solid waste hauler for Curry County also provides a waste audit for the commercial customers to assure as much recycling and diversion as possible from the landfill. C.T.R. also informs all new customers of the recycling program verbal and in a mail out pamphlet. C.T.R. also makes its representative available for educational and promotion of recycling in the areas to civic clubs and schools. The schools makes field trips to the recycling facility at Brookings to educate all of the school children on recycling.

While Curry County is open to any new recycling opportunities, our success has been built on the widespread opportunity of our citizens to recycle. Our plan to continue to offer opportunities to all of our citizens and expand those opportunities wherever possible by offering incentives whenever possible.

our projections for tonnage in 2005 and 2009 plan to be at approximately the same percent as the past years depending on the growth in the county. While an increase in industry would be welcomed in Curry County, we can't count on this type of growth based on a historical perspective.
