MINUTES OF THE SPECIAL COUNCIL MEETING
CITY OF BROOKINGS
NOVEMBER 22, 1966

The meeting was called to order at 8:00 P. M. by Mayor pro-tem Ernest Christensen.

Councilmen present were Ben Franklin, Lloyd Mosier and Henry Kerr.

Marge Barrett was the reporter present.

Roy Erichsen and Bruce Harlan, of the architectural firm of Harlan, Gessford, and Erichsen, appeared at the meeting to discuss possible changes in the City Hall specifications. Following considerable discussion, it was decided that the bids would be opened at the scheduled time on November 29, but would not be awarded until after January 1, 1967. The contractor will set his own completion date up until September 1, 1967, and the \$100 per day penalty clause will remain in effect after that time. The City of Brookings will make prepayments of 60% of the cost of the City Hall prior to July 1, 1967. It was also decided that stucco will not be included on the building. The Council indicated they had reviewed the bidders pre-qualification forms and felt that all who had completed the questionnaires would be eligible to bid.

A change of partnership liquor license application for the Green Door was presented to the Council. Lloyd Mosier made a MOTION the application be approved. Henry Kerr seconded the motion, and it was passed unanimously.

The meeting was then adjourned at 9:00 P. M.
